

# Ark & Amish

**ARK**  
&  
*Amish*

Available year round

Come, see and hear the "backstory" of the building of the Ark Encounter. The hand of God is clear, so come along on a journey from the first brainstorming plan in 2004 to the Grand Opening in July 2016. Many of the builders of this ARKitectural marvel were Amish, so on this tour you will see both "Ark and Amish."
